

Workshop Abstract

Session: DiSC®: Discovering your Interpersonal Style

What cause us to do what we do? Why do you seem to relate to some people better than others? How can two people be in the same situation and respond to it very differently? These are questions people have asked across the ages.

In our “DiSC®: Discovering your Interpersonal Style” session we will help participants understand what makes them tick and how others may see the world just a little differently.

Our Workshop

In this interactive session participants will:

- ✓ Learn their specific DiSC® style
- ✓ Study the strengths that come with their style
- ✓ Gain insight into potential challenges that come with their style
- ✓ Develop ways to maximize their strengths and manage their challenges
- ✓ Learn how to read others’ styles
- ✓ Practice communication methods to effectively work with those different than themselves
