

Workshop Abstract

Session: Growing to your Potential

Many Financial Advisors know what to do to grow their business, but struggle with the mental energy and focus needed to truly take their business to the next level. The goal of this workshop is to discover and remove the blocks that keep individuals from working at their highest potential and to give them specific tactics to refocus, re-energize and recommit to successful habits that will grow their business.

Our Workshop

In this interactive session participants will:

- ✓ Discover common blocks that keep financial advisors from working at full potential
- ✓ Identify daily attitude choices that will inhibit or determine success
- ✓ Analyze their key growth motivators
- ✓ Learn specific tactics to break free of blocked thinking or behavior
- ✓ Form specific actions to grow their business

Participants will leave the session not just energized, but also with tools that they can use throughout their career to continue to grow and get results.
